Omega Land Leveller

LTSV-AC Series

The ILGI Omega LTSV series is a very unique and capable land levelling tool. Its accordion style design allows the operator to transform the machine from its operating width down to 3 meters in just a few seconds.

Model	Cutting Width	Transport Width	Weight	Tires	Power (HP)
Omega 730	24ft (7.3m)	9'11ft (3m)	9,480lb (4,300kg)	(8) 12.0/80-15	200-300
Omega 600	19.7ft (6m)	9'11ft (3m)	8,096lb (3,680kg)	(6) 12.5/80-15	180-250
Omega 500	16.4ft (5m)	9'11ft (3m)	7,722lb (3,510kg)	(6) 10.0/80-15	150-200
Omega 400	13.2ft (4m)	9'11ft (3m)	6,834lb (3,100kg)	(6) 10.8/80-15	125-175

HTSV Land Leveller

HTSV Land Leveller

The HTSV land leveller is designed to combat crabholes and improve the drainage and growth in your paddocks. Clean up around the yard or spread gravel and scoria around your sheds, in your lanes and around the silos before winter. The curved blade allows material to roll, ensuring a consistent finish.

Trim up your irrigation bays to make your life easier during watering and maximise the efficiency of your most precious resource.

Model	Working Width (mm)	Transport Width (cm)	Weight (kg)	Blade Height (mm)	Power (HP)
HTSV 4000	4000	4300	1200	800	110-130
HTSV 5000	5000	4300	1310	800	140-160
HTSV 6000	6000	4300	1420	800	180-200

"We're farmers too"

Now more than ever, farming in Australia has become highly dependent on machinery cost and reliability. This is why OzValue AG is committed to bringing the farmers of Australia, well priced quality machinery.

With an ever expanding range, the team at OzValue AG is continuing to introduce such equipment to Australia. OzValue AG is able to source machinery from manufacturers around the world and sell direct to the farmer eliminating importers and distributors.

This simply results in a lower price for you, the farmer.
